## SHARED GOVERNANCE COMMITTEE ANNUAL SELF EVALUATION FORM

<b>Committee:</b>	<b>Professional Growth Committee</b>	<b>Academic Year:</b>	<b>2016-2017</b>
-------------------	--------------------------------------	-----------------------	------------------

LASC's campus committees are required to report their progress to the Strategic Planning Committee, College Council, and college president at the end of each academic year. While such a report may be presented orally at meetings, it is also required to publish a report in print format. Below is a suggested format for such a committee report.

The number of items and depth of detail depends on the nature of the committee and the issues being addressed. In general, it is a good idea to keep points of information short for easy review, with additional information available through a committee contact. The report should be updated after every meeting and **turned in to the Strategic Planning Committee in May.**
